One of the most expensive nights you'll ever spend in paradise, but well worth it just the same. The memories of the night will be cherished for quite a while by all who attended. The long hours spent by the juniors in preparation contributed to the good times had by all. Tiki gods, foot-bridges, goldfish and Bob's horse trough will be long remembered.

"Why Julia Gibbs"

"Don't they make a lovely couple"

In most schools music is regarded merely as another facet of a well rounded academic program. Here it's not just that; At Hillsdale it's a finely tuned tradition: Instructors that are truly dedicated, musicians that take pride in their playing, audiences that thrill at the sounds created and a record of straight ones at music festivals throughout the area. Hillsdale means music.
